Dear Van:

Many thanks for your note of October 1.
By the time you get this letter I shall be in England with
my successor and you can reach me at Claridges. I
hope time will permit us to get together.

Clover and I often think of the pleasant day
we had together despite rain and wind and hope that we
can often renew meetings of that kind.

Your friend, Miss Mary Soames, wrote me
that she would be in Washington just at the time when I
was away on my last trip. We tried to get in touch with
her at the address given, but the letter was returned to
us marked "Returned to Sender" as she was no longer at
that address. If you know where she is now, I can try to
get in touch with her when I get back here in about two
weeks.

As ever,
